Master of Data Analytics*

2019 IN REVIEW

- May 2019 saw Deakin University's BAP chapter become **officially installed as Xi Kappa**
- The **Blood Donation Drive** held in April became the first service event held by the chapter in the year.
- The **Ego Pharmaceuticals Tour** held in June provided Deakin BAP members with an insight into the growth of the company's business model and allowed them opportunities to engage with the senior members of their Research and Development team to understand how innovation plays an important role in the growth of the company.

- The beginning of Trimester 2 gave Deakin BAP the opportunity to host a **Meet and Greet** to welcome the new members into the society. A day of trivia, pizzas and an informal, introduction into the society gave new members as well as the old ones a chance to let loose and mingle in a non-professional setting.
- The **United Nations Association of Australia** (UNAA) conducted an interactive session with Experienced Leaders such as Matthew Brennan, Biheng Zhang and Di Fleming from the industry talking about the **implementation of the Sustainable Development Goals**. The event gave the members the opportunity to network and learn from the experiences and advice of these professionals.
- And finally, the members ended the year by volunteering for Cancer Council Australia's **Daffodil Day** to raise money for cancer research.

UPCOMING EVENTS

- Deakin BAP will host a welcome event on the 10th of February; invites and details for which will be sent to all members within the next few days.
- The biggest event for Deakin BAP this year is the Regional Meet that will be held at the Waurin Ponds Estate between 16-18 April. The event will be attended by select members of all the Oceanic Chapters of Beta Alpha Psi along with some prominent guest speakers. But more on that in the upcoming Newsletters!

We recognize the excellence that is present at Deakin University and want to shine some light on these brilliant minds through our newsletters and social media platforms. But we cannot do it without your help! So please let us know if you or a friend of yours has done something remarkable, be it an outstanding project submitted, getting a highly sought after internship or if you have done something incredible outside of the University, and we will feature you in our next Newsletter!
